To complete your E1, you must create a typed, one-page, 12-point font, double spaced write-up, with 1" margins. Attach your write-up to this cover sheet, or if emailing, include the form with your response in your attachments. Your write-up must contain at least these four components:

- A centered title of your write-up at the top of the page, with your first and last name centered in the line below.
- A brief summary of the event
- Did you discover anything new or exciting at the event? Did you learn anything? What was your take-away?
- What was your reaction to the event? Did you like it? Would you recommend it to your friends? Parents? Teachers?

Your E1 write-up should not only be a nice read, but it should also look nice. It has your name on it. Use proper grammar and spelling. It should be done thoughtfully and not rushed. It is done with love, care, and pride.
